

Sunnyside CRC
Church Facility Use Policy & Forms for Non-Members
Effective May 14, 2020

Purpose:

Sunnyside CRC's facilities were provided through God's benevolence and by the sacrificial generosity of the church members. The church desires that its facilities be used for the fellowship of the Body of Christ and to bring God glory. Although the facilities are not generally open to the public, we make our facilities available to approved non-members as a witness to our faith, in a spirit of Christian charity, and as a means of demonstrating the Gospel of Jesus Christ in practice.

However, facility use will not be permitted to persons or groups holding, advancing, or advocating beliefs or practices that conflict with the church's faith or moral teaching, which are summarized in the infallible Holy Bible, the Apostles Creed, the Belgic Confession, the Heidelberg Catechism, our Statement of Faith and our Statement on Marriage. Nor may the church facilities be used for activities that contradict or are deemed inconsistent with the church's faith or moral teachings. The President of Council is the final decision-maker concerning use of church facilities.

This restricted use policy is necessary for two important reasons. First, the church may not in good conscience materially cooperate in activities or beliefs that are contrary to its faith. Allowing its facilities to be used for purposes that contradict the church's beliefs would be material cooperation with that activity and would be a grave violation of the church's faith and religious practice, (2 Cor. 6:14; 1 Thess. 5:22).

Second, it is very important that the church present a consistent message to the community, and that the church staff and members conscientiously maintain that message as part of their witness to the Gospel of Jesus Christ. Allowing facilities to be used by groups or persons who express beliefs or engage in practices contrary to the church's faith would have a severe, negative impact on the message that the church strives to promote. It could cause confusion and scandal to church members and the community because they may reasonably perceive that by allowing use of our facilities, the church agrees with the beliefs or practices of the persons or groups using the facilities.

Therefore, in no event shall persons or groups who hold, advance, advocate beliefs, or engage in practices that contradict the church's faith be permitted to use church facilities. Nor may church facilities be used in any way that contradicts the church's faith. This policy applies to all church facilities, regardless of whether the facilities are connected to the church's sanctuary, because the church sees all its property as set apart to worship God.

1. **Approval for Building Use Requests:**

All requests for building use must be made four weeks in advance of special event. Requests are to be directed to the church office. A building use application will be sent to all persons requesting the use of the church for a private or family event (non-church).

The President of Council must approve all uses of church facilities. Generally, priority shall be given to church members, their immediate families, and organized groups that are part of the ministry, organization, or sponsored activities of Sunnyside CRC. Church facilities and equipment will be made available to non-members or outside groups meeting the following qualifications:

- a) Groups or persons requesting facility use must affirm that their beliefs, practices, and planned uses of the facilities are consistent with Sunnyside CRC's beliefs and practice. Non-member weddings must also align with the stated beliefs, creeds, confessions and practices of Sunnyside CRC and the CRC denomination.
- b) The group or person seeking facility use must submit a signed "Sunnyside CRC - Request for Use of Church Facilities" form.

Wedding Honoraria

The pastors of Sunnyside Christian Reformed Church believe that weddings are a part of their pastoral call to ministry. They count it a great privilege and a great responsibility to both participate in the joy and celebration of a couple's marriage and to help with the planning of the wedding.

And while our pastors do not charge a "fee" for performing a wedding ceremony, they also acknowledge the desire of some couples to provide the pastor with an honorarium. **As many couples are uncertain about an appropriate amount and often contact the church office to ask what is customary, the following ranges are suggested as general guidelines for those wishing to provide an honorarium.**

Officiating Pastor: \$150-250 – depending on the extent to which the officiating pastor is involved in the planning, preparation, and leading of the wedding

In rare instances, more than one pastor is involved in a wedding; in that case the following applies:

Additional Pastor(s): \$75-100 – depending on the extent to which the additional pastor(s) is/are involved in the planning, preparation, and leading of the wedding

PLEASE NOTE: It is the couple's discretion as to whether or not they choose to provide an honorarium to the participating pastor(s). It is also at the couple's discretion, should they choose to provide an honorarium, to follow the guideline suggested above or to determine other amounts they deem appropriate.

If a couple chooses to provide an honorarium to the participating pastor(s), the amount chosen should be made payable directly to the pastor(s).

The following honoraria apply to the pianist or organist playing at the wedding.

Pianist or organist: \$100
Soloist(s): \$35-50

If a couple chooses to provide an honorarium to the participating pianist or organist, the amount chosen should be made payable directly to them.
